

Networking with UCSF Connect

We invite you to [join UCSF Connect](#), the official networking platform for UCSF alumni, students, postdocs, residents, fellows, and faculty members. In addition to having access to the broader UCSF community, we have created a closed group just for the MS-HAIL community.

Please take a few minutes to join the UCSF/MS-HAIL community using the instructions below. Sign up for UCSF Connect in less than two minutes by importing your LinkedIn profile or by creating an account with your email address.

Instructions:

1. Visit career.ucsf.edu/ucsf-connect.
2. When you join, be sure to list “**Graduate Division**” as your school, “**MS HAIL (Master of Science - Healthcare Admin. & Interprofessional Leadership)**” as your degree, and “**Health Care Administration**” as your field of study.
3. In your work experience, please list your company name, your “**Industry**”, and your “**Job Function.**”
4. Indicate that you are "Willing to Help"
5. Create a robust profile with a photo, your education and work history, and enough information to give students some background so they can send you meaningful questions about your experiences.
6. You will be automatically included in our MS-HAIL Students and Alumni group in UCSF Connect.
